

J. R. Rinehart Named Works Manager

Succeeds W. E. Schulenberg

J. R. Rinehart

W. E. Schulenberg

James R. Rinehart has been named works manager here at Packard Electric, succeeding William E. Schulenberg who has been appointed works manager of Hydra-matic Division. Mr. Rinehart's appointment was announced by General Manager Bert Olson.

Mr. Rinehart joined Packard Electric in 1953 as a work standards and methods engineer, becoming a supervisor the following year. From 1958 to 1960, he was plant industrial engineer with Mack Trucks, Inc. In 1960, he rejoined Packard Electric as manager of Production Control. In 1967, he was promoted to director of Production Control and Purchasing and, in 1970, was

named general sales manager, the post he held until he was transferred to GM Overseas

Operations in 1972. A native of Summit, N.J., Mr. Rinehart is a 1948 graduate of the Hill School, Pottstown, Pa., and in 1952 was graduated from Yale University with a B.S. degree in applied economics. Following a year's graduate study at Harvard University, he served in the U.S. Marine Corps.

Mr. Rinehart and his wife, the former Molly T. Ford of Warren, are the parents of four daughters.

Mr. Schulenberg succeeds G. W. Griffith who was appointed general manager of the Hydramatic Division August 1, 1973.

Mr. Schulenberg has been works manager of Packard Electric Division since 1966.

A native of Akron, Ohio, he served in the U.S. Army from 1945 to 1947. After graduating from Purdue University in 1951 with a bachelor of science degree in mechanical engineering, he was employed at Packard Electric in the division's methods engineering and work standards department. In 1953 he became a supervisor in that department.

In 1955, he was promoted to an assistant superintendent in the division's manufacturing operation, and until 1964 held various production and manufacturing assignments. Mr. Schulenberg became Packard Electric's factory manager in 1964 and in 1966 was promoted to works manager of the division.

Mr. Schulenberg and his wife Ruth have four children, Martha, Robert, Jeffrey and William.

The Hydra-matic Division manufactures Hydra-matic automatic transmissions for passenger cars and trucks.

Packard Electric's New Car Showing Attended By 12,000

Packard Electric's annual new car showing, attended by an estimated 12,000 Packard employes and their families, was staged for the first time at Packard Music Hall. This overall camera shot, taken from the balcony shows the very complete 1974 lineup made available by local GM dealers.

Hood Ornaments Return

New Combination Seat/Shoulder Belts: Safe and Comfortable

3

This year, GM cars are equipped with new combination seat/shoulder belts for the driver and right front passenger. You'll find them different in several ways from those of previous years:

1. The seat and shoulder belts are joined together

with a "D"ring clasp and are self-retracting. This makes entering and exit from the car easy, and buckling up simple.

2. As the pictures show, buckling up takes just a sweeping motion with the "D"-ring clasp in hand.

over to the buckle. The shoulder portion of the belt permits free

movement of the upper body. A shoulder belt guide on the seatback holds it to a low and comfortable

angle across the body-and the belt "gives" as you turn, lean or reach while driving.

BUT: In the event of rapid deceleration and shoul-der belt protection is required, an inertia monitor in the belt retractor locks, cinching the shoulder belt into a firm "hold" position.

HOOD ORNAMENTS MAKE COME-BACK - Remember the popular hood ornament of yesteryear? It's making a come-back on the 1974 Chevrolet Malibu Classic in the form of a neat circular chromed emblem which accents an attractive chromium lattice-work grille. The ornament is reminiscent of famous hood adornments of forty years ago including the famous Pierce-Arrow archer, the 1930 Packard water nymph, and the clawing lion of the 1928 Franklin. With the advent of aerodynamic passenger car styling following World War II, the ornaments began to disappear from the scene. Automotive safety enthusiasts all but eliminated them in the mid-Sixties charging they were dangerous to pedestrians. But the Malibu hood ornament will meet this objection from safety critics. It's spring mounted, and snaps back to original upright position under the slightest pressure. Safety experts now believe hood ornaments are a good driving tool, since they provide an aiming point making for easier and safer car operation.

Packard Promotions

STAMP OUT Paper Pollution!

Packard Electric Division encourages its people to think about their jobs and what improvements can be made to simplify procedures, eliminate paperwork, etc., in order to reduce the cost of doing business.

The program to Stamp Out Paper Pollution will again include the examination of all data processing reports. Recipient Questionnaires are being attached to all data processing reports for a period of thirty days.

The Divisional Comptroller, E. E. Leathley, stated, "Each report must be examined critically so that we may eliminate those reports which are no longer essential to perform your job. The questionnaires are pre-numbered and we are expecting a reply. Your early attention to this request would be appreciated."

Stauffer

John F. Lambert Superintendent, Plant 8.

Was graduated from Ohio State University in 1965 with a bachelor of science degree in industrial management. Joined the Division that same year as a Production Foreman. Was promoted to Production General Foreman in 1967 and was advanced to Assistant Superintendent, Plant 10, in 1971. A year later was named Assistant Superintendent, Plant 12, the post he held prior to his advancement.

Jack D. Stauffer

Supervisor, Process Development, Plastics Processing, Manufacturing Development.

Received his associate degree in engineering from Wilkes College in 1963. Was graduated from Pennsylvania State College in 1966 with a bachelor of science degree in industrial engineering. Has done master's work in industrial engineering at Pennsylvania State University. Began at P.E. in 1967 as a Junior Engineer, Production Engineering. Became Production Engineer, Plastics, in 1968 and Development Engineer in 1970. Was named Foreman, Dept. 304, in 1972, the post he held before his promotion.

Winter Roof

Eugene J. Winter Senior Project Engineer, Specifications and Patents, Product Engineering.

Was graduated from Ohio University in 1948 with a bachelor of science degree in education. Did graduate work at Ohio, Purdue and Ohio State Universities. Joined Packard Electric in 1951 as a Cable Engineer. Was named Quality Control Foreman in 1953 and Specifica-

Wires **McNamee** James W. McNamee Staff Project Engineer,

Product Engineering. Received his bachelor's degree in electrical engineering from Youngstown State University in 1966. Joined the Division that same year as a Project Engineer. Was named Senior Project Engineer in 1970, the position he had before his advancement.

Richard P. Wires Production Engineer,

Production Engineering. Was graduated from Michigan College of Mining and Technology in 1972 with a bachelor of science degree in mechanical engineering. Began here that same year as a Process Engineer, Production Engineering, the position he had before his promotion.

Foreman, Dept. 1000

Was graduated from Ohio University in 1973 with a bachelor of science degree in industrial technology. Joined the Division in June as an Engineer-In-Training in Production Engineering.

Harold E. Pittman

Sergeant, Plant Protection. Was graduated from Kingston High School, Kingston, West Virginia. Joined Packard Electric in 1954 as a Patrolman, Plant Protection, the post he held prior to his promotion.

Donald G. Murphy Tool Engineer, Tool Rooms. Served his Tool Room Appren-

Sill

Chandler

John B. Sill, Jr. General Foreman, Depts. 1000, 1001, 1002.

Was graduated from Iowa State University in 1968 with a bachelor of science degree in metallurgical engineering. Joined Packard Electric that same year as a Production Engineer. Became a Manufacturing Development Engineer in 1971. Was named Foreman, Dip Form, in 1972, the position he had before his promotion.

Christopher C. Chandler

Project Engineer,

Product Engineering. Was graduated from Youngstown State University in 1971 with a bachelor's degree in electrical engineering. Is doing master's work in electrical engineering at Youngstown State. Joined the Division in 1971 as an Engineer in Product Engineering, the post he held prior to his advancement.

John R. Zuppo Project Engineer, Product Engineering. Received his bachelor's degree in electrical engineering from Youngstown State University in 1971. Began at the Division in

1971 as an Engineer-In-Training in Product Engineering. Was named Junior Engineer, Product Engineering, in 1972, the position he had before his advancement.

Plant 8, Upstairs By Carolyn Wolanzyk

A big Plant 8 welcome goes out to John Lambert, Superintendent. Good luck wishes are extended to Norman Keeling who has gone to Plant 12. We will miss Norm, he has been with us many years.

Our Plant 8 people have been quite busy with vacations as follows: Dorothy Ludington, 842, New York and Canada; Marge Brannan, 836, Florida; Dixie Reel, 836, Virginia Beach; Toni Zarick, 844, Hawaii; Ruth

Case History:

Because National Widgets is making huge profits on its new widgits, U.S. Gadgets and American Gadgets decide to go into the widget business. It's not tough to raise the capital; after all, look at those profits over there, right?

Suddenly, the widget supply has tripled, and the widgets are better and cheaper. So National cuts its price, and the widget industry fights to become more efficient.

Along the way, some widget investors got rich but some went broke; new jobs appeared, widget workers got raises, the government got tax money, and consumers got better choice, higher quality, and lower prices.

tions Engineer, Product Engineering, in 1954, the post he held prior to his advancement.

Marvel S. Roof

Account Manager, Non-Allied Automotive, Customer Service.

Attended Mount Union College. Joined Packard Electric in 1953 as a Clerical Worker in Dept. 62. Left the Division in 1960. Rejoined P.E. in 1967 as a Senior Clerk in Production Control. Became a Senior Clerk, Customer Service, in 1969 and an Account Coordinator, Customer Service, in 1972, the post she held until her advancement.

ticeship at Mullins Manufacturing Co., completing the apprenticeship in 1955. Began here in 1971 as Tool Room Machinist. Was named Junior Tool Engineer in 1972, the post he held before his promotion.

Charles A. Patterson Project Engineer,

Product Engineering.

Was graduated from Youngstown State University in 1973 with a bachelor's degree in electrical engineering. Began at P.E. in 1967 as a Draftsman. Was named Junior Designer, Advanced Engineering in 1971, the position he had before his promotion.

Moures, 836, Virginia Beach; Pat Perrine, 836, Hawaii; Paul Kittle, Foreman, Washington, D.C.; Dick Carty, 874, Florida; and Dolores Stanislaw, 836, South Carolina.

Dave Elioff, 836, is a proud new daddy. They had a little girl and named her Barbara; Pat Perrine, 836, is equally proud of her new granddaughter; Polly Kovach, 834, has a new daughter and named her Pamela Jo.

Good luck to Jim Kittle, 844, and his new bride. Our sympathy goes out to Ola McCoy, 836, for the loss of her father.

1973 Packard Electric Men's Golf League Winners

American Division — Factory Office

North American Division — Chippers

National Division — Hot Shots

FACTORY OFFICE — Back after a year's layoff as champs are (I. to r.): Bob Alton, Ed Grgurich, Mike Valiska and Tom Costantino. Not pictured are Andy Gregor, Ed Antonelli and Jim Herman.

HOT SHOTS — National Division champs are (seated I. to r.): Bill Proctor, Bob Nadzan and Don Dedow. Standing (I. to r.) are: Tom Butwin and Mike Conrad. Not pictured are Bob Meade, Jeff Jones and Bill Olah.

Pan American Division — Caddies

CHIPPERS — Leaders in the North American Division are (I. to r.): Frank DeCapito, Dom Petrarca, Bill Bahny and Rich Petrarca. Not pictured are Vlad Bobosh, Greg Bobosh, George Neumeister and Jim Richetto.

CADDIES — Winners in the Pan American Division are (seated I. to r.): Al Ryan, Steve Oehler and Dave Steines. Standing (I. to r.) are: Bucky Lynn and Don Muzenic. Not pictured is Gerry Milks.

Continental Division — Eagles

EAGLES — The Continental Division's front runners are (seated, I. to r.): Bob Layko, Ken Keyser and Ed Mink. Standing (I. to r.) are: Ray Alcott, Joe Schilling and Joe Ross. Not pictured are Bill Meinke and Dan O'Malley.

BALL BENDERS — The Federal Division's front runners are (l. to r.): Jim McNamee, Bob Adkins, Dale Anderson and Bill Boyer. Not pictured are Roland Hill, John Malie, Joe Shambo and Mike Idzikowski.

Capitol Division — Teamsters

PLANT 10 OFFICE — The International Division's top golfers are (I. to r.): Dick Huibregtse, Bob Franks, Don Meigs and Hank Magusiak. Not pictured are Ted Croft, Bob Langewisch, Ed Adams and Bob Hocevar.

Coastal Division — Goffers

Central Division — Barracudas

GOFFERS — First in the Coastal Division are (I. to r.): Jim Ewing, Harry Fulton, Carl Summers and John Haldie, Not pictured are Ray Austin and Walter Stoddard.

BARRACUDAS — Central Division winners are (seated, I. to r.): Bill Rutherford, Lenny Lauth, Lee Augustinsky and Chuck Woods. Standing (I. to r.) are: Bernie Woods, Paul Homa, John Scheidly and John Sanko. Not pictured is Paul Hlay.

Accounting By Pat Zydyk and Suzanne Evitts

Your reporters hope everyone had a nice summer! Peggy Salvato is retiring from the newspaper business and I would like to introduce our new reporter, Patricia Zydyk, of Data Processing. We hope to be able to report all interesting events and invite anyone with news to contact us on PAX 2353.

If anyone is wondering what Sue Verbosky and Scott Weger have so much in common to talk about, it's their weddings. Sue became Mrs. John Scahill August 25th and honeymooned in California. Scott wed Mary Martin August 4th and they honeymooned in Jamaica.

We had three little girls and one boy born this past month. The proud parents are Mike and Barb Hochesang to Melinda Sue, Jim and Joan Cech to Jennifer Elaine, Jan and Joe Little to Sydney Joselle, and Al and Rochelle Ryan to Timothy John. Bless their little hearts!

Our summer sports fans will be happy to know the Data Processing men's golf team, the Caddies, won in the Pan- American Division. Players were Steve Oehler, Ron Margala, Bucky Lynn, Dave Steines, Al Rvan and Gerry Milks. The Wedgers took first place for the ladies. Players were Milly Johnson, Jane Valiska, Evelyn Krivonak, Ilona Sudimak, Sally Manda, and Ruth Belik.

Payroll had their annual picnic at Ralph Marshall's August 31st. A good time was had by all and a few people put on some calories with all the good food.

Again this summer Dick Pringle vacationed in Canada, but this trip was a little more special. He and his wife Dot celebrated their 25th wedding anniversary.

Bob Golick vacationed in Canada and came back with an Eskimo, but couldn't get her through customs!

Bob Croft took a weekend trip to sunny Jackson, Mississippi. Mildred Rorison spent her time relaxing in Florida. Ruth White went camping in our United States and Marian Tucker visited our Nation's Capital. Monica Stilson vacationed in Virginia. Dick Griffing went camping at Pymatuming Lake. Pauline Anders toured Austria, Greece, Yugoslavia, Turkey, Holland, and the Aegean Is-

GMI Students By Tom Sinkovic Section A and ois Frawley Section B

Section A

Books, homework and plenty of hard work greeted General Motors Institute students, Section A, as a new school year began August 20. Most of us were sad to see the summer go, for studying now fills our evenings.

The summer held especially good memories for some. Greg Bobosh went to Florida during his three week break. Greg had a great time, and he has quite a tan to prove it.

Dave Knight, Tim Richards, and John Talstein took to the softball mound last month. Dave and Tim played for the Packard Electric Sach's while John was a member of the Division's Heralds. All three guys enjoyed themselves tremendously.

Congratulations are in order for Dan Bafunno who received an invitation to become a member of Tau Beta Pi, the national honorary society for engineers. Dan also was recently appointed Activities Council chairman here at GMI.

Among the new members of Theta Xi fraternity this section are Packardites Dave McClelland, Gary Keefer, Tim Richards, and Dave Pilger. Best wishes go out to these guys for success in their fraternity life.

Upperclassmen aren't the only ones involved in GMI activities this section. Freshmen Kevin Howard and Vitaliy Pechenuk have joined the Firebirds, a club whose members promote all types of automotive sports, while Jim Sable is currently involved in the Karate Club. Perhaps Jim will have his black belt before Section A students return to Packard October 1.

Section B

October will signal the start of another year of schooling for GMI's B Section students, but this month is for work sections. Nancy Brown and Dana Gross are in Suggestions. Dana is investigating suggestions after a year of studies at Youngstown State University, and now Nancy is, too, after completing her stay as an American Field Service summer student in Marievale Mine, a gold mining area in South Africa's Eastern Transvaal.

At school this past section, Dane Williamson, now in Cost Estimating, helped in a hot air balloon race at Flint's airport. First, Dane's crew used fans to partially fill the balloon, and then began heating the air with propane heaters located in the gondola, or base of the balloon. When the balloon landed, the crew tracked it in cars and then loaded it onto the trailer. Seven balloons and a Goodyear blimp were featured in this event, along with cameramen who were filming for the American Sportsmen TV show. Hobbies are also pursued at work; Paul Pawlikowski, Manufacturing Development, has recently completed his first season in national race car competition as a crew member for

Greg Reppart's Formula B Indy Car. Greg, Jim Crouse, Nick Bozich, all GMI graduates, and Paul comprise the team that achieved last year's regional record of six first places and one second place with their Datsun 240Z. This year's car didn't place, but the crew gained national experience, and hopes to race a more competitive car in next year's nationals.

Our present section will end September 28 with orals by Chris Duda, Reliability, Ron Ortscheid, Methods, Ray Seifert, Production Engineering, and Edward Marchand, Product Engineering, Then B section will move to Flint, taking seven new freshmen along with it.

Depts. 1107, 1108 and 1109 By Barbara Haryu

At last the football season is here again. Our local teams are starting off the season with victories and have tremendous football power in our county. Here's hoping that one of our teams will be state Champions in 1974!

Our area bands are some of the finest marching bands in the country. We are proud of these kids. They put on a great show every time and it makes our football games that much more colorful and exciting. We thank you for your great performance.

Marjorie Park's, grand-daughter, Tami Bettiker is in the ninth grade at Lakeview High School and is a majorette with the marching band. Tami is the daughter of Tom Bettiker, general foreman in Plant 10.

John Dinger is our new general foreman. We extend our welcome and hope you will enjoy your new duties in our area.

It's nice to have Foreman Tom Ross and Dave Jones back from sick leave. Tom Ross will be foreman on afternoon turn. Your reporter will miss her football pal!

Veronica and Tom Costantino celebrated their 26th wedding anniversary. Hoping this anniversary and the joys that you recall are just the introduction to the nicest years of all. Tom is foreman in Dept. 1108 and Veronica is our new desk girl in Depts. 1109 and 1112.

Susie Thomas daughter of Jim Thomas is attending Youngstown State University School of Nursing. Jim's a great one on keeping in physical shape, and with a nurse in the family, he hasn't a thing to worry about.

Our vacationers are: Harry Mittendorf camped out at Cape Hatteras, North Carolina; Eddy Crepage spent his vacation fishing in Canada; and Mollie Mickey went down south of the border down Mexico way. While in Mexico-they had an earthquake. It was some experience! Alexandra Hoynos and Sherri Kniseler were vacationing in San Francisco and Las Vegas.

Depts. 341 and 342 By **Ruth Belik**

That beautiful tan that Louise Szabo had when she came back from vacation wasn't from Mr. Sun in Cortland, Ohio, but from his beams shining down on that gorgeous luxury ship sailing the blue Caribbean. Memories memories for years to come from this vacation. Right Louise?

The family circle for Dean (Dept. 550) and Doris Wilms was three. On August 18 it was increased to four when their son Gary exchanged his wedding vows with Linda Miller at the United Church of Christ. Best wishes, Linda and Gary.

California here we come, two by jet and one by her Oldsmobile. Mary Ann Gabor enjoyed her vacation in Tucson, Arizona, San Pedro, Californiaand Mexico City. Ole! Mary Ann. Marlene Pinion and her son jetted to Disneyland in California and all the other local sight seeing attractions. Marge Taczak, her husband, Fred, and their four children packed the family's Oldsmobile and drove to California. They may have blown the family budget, but they saw the great USA and had a vacation they will live over and over.

Joanne Flauto returned from her two week vacation with a beautiful tan and a well rested look. The secret? She spent it at home, blowing the whistle and saying, "Everyone out of the pool for a ten minute break." That's the only way to gofirst class.

Governor Gilligan from our great state of Ohio took time out from his busy schedule to enjoy some good music at the Ohio State Fair. Kay Petercik's daughter, Michele, is a member of the Happy Hearts Tamburitza that performed for Governor Gilligan.

Welcome to the new regime headed by Kenneth Rambo, general foreman, and foremen Bill List, Art Weaver, Brian Waldron and John Hapsic. Take those vitamin pills and put on those walking shoes, men! This is a department that is on the move.

adieu to our summer bid

Depts. 341 and 342, P.M. By Joy Cicero

Your reporter's son, Philip, had his first haircut. He looks s cute. Anna Di Censo had wonderful vacation. Gale Wylle Department 369, became Mrs David Kuzell. The beautiful wed ding took place August 1 They spent their honeymoon a Niagara Falls. Ruth Sell is very happy. Her son, Billy, is home from Germany for thirty days.

We miss our girlfriend, Ruth Strong. It was really nice hav ing her with us this summer Glendora Kagle and Carol Bur don had a wonderful time a the Canfield Fair. Beverly Col brunn and family enjoyed them selves, camping over Labor Day weekend.

Genevieve Martino and hus band toured New Philadelphia Dover and the surrounding area They had a good time. Lo Burnett is very proud. She should be, Lois won first prize for her crocheted coat at the Johnston Homecoming.

Pat Harper and family had wonderful vacation in Florida They really enjoyed Disne World.

Ellen and Ray Placer had beautiful wedding July 21. The make a darling couple. The had a wonderful honeymoon i Myrtle Beach, South Carolina Brenda Homa's son Billy cele brated his fifth birthday. He had a great party with many gifts Billy loves his kindergarter class.

lands. Emmie Ruffin vacationed in Toronto, Canada.

Our farewells go out to Joanne Pickup from Accounts Receivable and Barb Parker from Data Processing. Barb is going back to Ohio State University.

We would like to welcome Mary Ann Callos of Accounts Payable, Karen Maier of Ac-counts Receivable, and Jeff Zigler, a GMI student. Also, Mary Grace Kraft is back in Data Processing after working a year at Terex Division. Returning from sick leave is Carol Blake.

Ray Benetto built a new home in Foxcroft, in Howland Township.

Our newlyweds are:

Joe and Carol Lapinski and Richard and Kathleen Ives. Wishing happiness for you. The plans and dreams you share will make and keep you happy each day and always.

Something to think about: Your body is the baggage you must carry through life. The more excess baggage, the shorter the trip. Keep well and God Bless.

students who have left us to go to their respective classes. Karen Pagley, Steve Hall and Danny Morris to GMI.; Terry Ivanchak to Miami University.

At this time we'd like to say so-long and best of wishes to one of our favorite fellowemployes, Norman "Mr. Plant Protection" Smith. Packard won't be the same without you, Norman.

Our sympathy goes out to Sam Currie whose father passed away recently.

Wise saying: Even a stopped clock is right twice a day, on the other hand, none but a fool is always right.

Production Engineering

By Bob Woofter, Jr. Jack Van Cure was born in 1923 and grew up in Youngstown. After graduation from Rayen High School in 1941 he entered the Air Force in 1943 during the midst of World War II and attained the rank of technical sergeant.

Shortly after beginning his tour of duty in the European Theater he was captured and held prisoner for eleven months.

Jack's career at Packard began in 1947 when he joined the Division as a tool and die maker, a trade which he pursued until 1955 when he was made a die technician. In 1956, he was made tool engineer and in 1961 senior tool engineer.

Assistant superintendent was the position to which he was promoted in 1971.

Jack's record at Packard attests to the outstanding leadership with which he guided many die designers and tool engineers over the years. It was often said that Jack was a demanding supervisor, but it is also known that Jack expected more of himself than of anyone else.

Jack Van Cure and his career will always be worthy of imitation as long as General Motors exists.

Cost Estimating By Joyce Scott and

A warm welcome to Joyce Scott, our new reporter on the Cablegram Staff. Cost Estimating would like to welcome Dane Williamson, our GMI student for this quarter. A big thanks to Doug Young, GMI student, who was in our department this past summer. Inventory just wouldn't have been a success without you, Doug!

With summer nearing an end, those in Cost Estimating have enjoyed fun and play vacationing throughout the United States. Camping was the order of the day for Bernie Kurdia, Bob Ciochetto and Joe Danielson and families, who roughed it like old pioneers at resorts such as Pymatuning Lake, Salt Lake Fork and the Poconos.

It sounds as though Gene Draa's vacation was a complete success. Gene vacationed in Missouri, Kansas, and South Dakota. The only souvenir Gene brought back with him was an unwanted summer cold, which e can attribute to his wife who

her better half spent several days at Disney World and then traveled to Myrtle Beach, S.C. Our reporter has a soft spot in her heart for Myrtle Beach as this is where she and husband, Terry, first met. (How much golfing did you get in, Ro?)

Cost Estimating extends their deepest sympathy to Jon Culp on the recent loss of his beloved wife, Charlotte. Our prayers and thoughts are always with you, Jon.

Our sympathy also goes out to Bob Cook, on the recent loss of his mother-in-law, Mrs. Nan Richards.

Congratulations to Mr. and Mrs. Larry Brown on the arrival of their new son, Brian Keith.

Roger Rupe has been seen driving his dog, Tinsel, to obedience school in his new 'bamboo cream' Buick Regal. (Bamboo Cream???!)

JUST A NOTE-Have faith in all mankind because mankind has faith in you.

Jim McGee's pretty daughter, Wendy, has returned to Ohio State after filling in at the desk during the summer. Yours truly's pretty daughter, Cindi, was just graduated from Barbizon Modeling School. Her first assignment is with writer and photographer Fred Yoke of Howland.

Happy vacations are almost over. Ed Barnett and family enjoyed California. Jack Hardman and wife took beautiful pictures in Hawaii. Ann Boyles loved Ireland. Dorothy Rowe visited the Smoky Mountains.

Ilene Taylor and hubby took their children to Disney World, Florida. Bev. Baumiller toured Canada. Bernie Ciortan loved Florida. Gary Michaelis enjoyed Cape Hateras. Richard Benner and Richard Morgan went on a Canada fishing trip. Ray Ruth was active in the Boy Scout Jamboree at Moraine State Park, Pa.

The fellows laughed, but Kathy Walls was frightened by a little mouse under her desk.

Darlene Bailey presented Roseanna White with her first grandchild; little Kevan Michael is doing fine.

Loretta and Joe Stofocik are winning all the tennis matches against those bachelors Dave Hatalsky, Ron Barr and Andy Razzano. Ron is starting to believe "Behind every great guy there is a woman." He just He just might be headed for the winning side.

Something turns everyone on and starts them preaching. With Ray Smith it's safety, it comes from his heart. Ray doesn't mean to preach but would sure like to make people aware of their own safety. Grief and sadness were there, but now the happy memories warmed the room. Everyone that knew Curt Anderson's mother knew how she loved living, loved dancing. Now what joy in knowing and believing our Father's word. As the Bible tells us, "To be absent from this body is to be present with our Lord."

Grandson Is Proof Of Blood Program's Importance

Patrick Michael Smith

This little fellow, Patrick Michael Smith, is the "apple of his grandmother's eye" . . . and more than that, the baby gives Grandmother added joy that she has given five gallons of blood to the Red Cross Blood Program.

Viola J. Smith, Dept. 1409, upon being asked to have her picture taken because of being a five-gallon blood donor, declared emphatically that a picture of Patrick, living proof of the importance of blood donations, would be more meaningful. The 11-month old baby is now actice and happy, thanks to four blood transfusions shortly after birth.

"Just looking at him makes me glad that I have given blood regularly," Viola says, "and grateful to those who gave the blood that Patrick received.' The baby was born in a Cleveland hospital last October.

Patrick is the son of Daniel S. and Gabrielle Fonce Smith, now residing in Mentor. His father, now working in Cleveland, is a Marine veteran of Vietnam and his mother, a native of Niles, formerly was a nurse at Warren General Hospital.

The proud grandmother's interest in the Red Cross Blood Program goes back to the 1950's. Even before she started donating blood, she helped with donor records, working at the old Red Cross Chapter House, then located on the site of the new library.

On Dec. 1 Viola will observe her 30th anniversary at Packard Electric. She is a contributor to United Appeal of Trumbull County through the plant, recognizing that U.A. funds the Red Cross Blood Program and many other services available to area residents.

Vacationers are still going strong: Nancy Chick is back from Mexico. Helen Greenawalt and her family from Pennsyl-

Forty-Five Days Without A Hitch

FORTY-FIVE DAYS without a defect on the Vega cluster harness is Dept. 1427's claim to fame. How did it happen? Foreman Joan Sillitoe says, "They have a good understanding. They work like a family. It never could have been done without team effort." Seated (I. to r.) are: Judy Yoho, Cathy Litz, Madeline Gradishar, Irene Pelic and Jacqueline Keys. Standing (I. to r.) are: Quality Control Foreman Charlie Moneypenny, Don Parker, Dan Hartson and Production Foreman Joan Sillitoe. Not pictured is Jim Riley.

The Packard Products Store is located in the Plant 14 Locker Room (East End). It will be open Tuesday and Thursday from 1-5 P.M.

miles a day. Jane Crepage and Sue Boles attended the Ohio State Fair with their families.

Ted Williamson took his mother back to Florida. She has been visiting here with him. Our two beathing beauties, Blanche Fonderlin and sister Bernice Chapman, attended the bathing beauty contest at Geneva on the Lake. Lela Barnard and family are back home from their Bermuda vacation.

she comes to work. She says there is nothing more refreshing. (Wait until December-Editor.)

On medical leaves are Linda Mast and Edna Boggs.

Mary Giddings' son is home to stay. He was in the Air Force in Texas

set the air-conditioning on subzero temperature. (Guess who had all the blankets in the mornina?)

The Bob Williams visited their son in Massachusetts while the Robert Cooks did some sightseeing in historical Gettysburg. Ron Leach and wife vacationed in Tennessee enjoying the beauliful countryside. The Don Mc-Ardles enjoyed golfing and swimming in sunny Myrtle Beach, S. C. (Rumor has it that Don's wife beat him at golf!) Joyce Scott and family spent a day at Cedar Point and visited friends and relatives in West Virginia. Rosemary Mackey and

Our sadness and warmth also goes out to the following with the loss of their loved ones:

Ann Boyles' father, Warren Burnside's father-in-law, Julia Purdies' mother and John Lasho's father.

vania spent the holiday weekend at Cedar Point. Claire Costa just returned from a couple of fun-filled weeks in Philadelphia and Atlantic City. Eva Tobac vacationed in Colorado and California. Duane Crum and his lovely wife Sandy moved into a beautiful home and then vacationed in Florida. Duane is a foreman in Dept. 1211 and Sandy is a desk clerk. Blanche Fonderlin was on vacation in Missouri. Steve Irwin and his wife, Vivian traveled through the Southern states. Judy Phillips' son, Raymond is back from a week's vacation with the Canfield track team. He ran twenty

How about those polka dot pants Tony Stanko is sporting?

Foreman Terry Priestap is walking around with his shirt buttons popping and giving out cigars and candy-all because of a little blessed event-a darling baby daughter.

Joan Bailey has a new addition to her family, it's an adorable six-week-old puppy named Blackberry.

Donna Blue takes a swim in her pool every morning before

Back from medical leaves are Carol Hurst and Esther Harper. A surprise party was held for Helen Greenawalt and her husband on their twenty-fifth wedding anniversary.

We welcome Ron Ali to the A.M. turn. Hope you'll like workwith us, Ron.

Our sympathy to Judy Rosko in the loss of her father and to Frances Ohler in the loss of her sixteen-year-old son.

Donna Poniewasz is back with us from maternity leave. She is the proud mother of a baby boy. Why be difficult when with a little more effort you can be impossible?

RED REES CORNER

Eb Johnson Dept. 179 44 Years

Edna W. Lawrence Dept. 844 30 Years

Depts. 321, 325 331 and 332 By Mary Czoka

Our deepest sympathy is expressed to our co-workers: Judy Fenstermaker, Randy Di-Bell, Charlene Thompson, and Julia Marconi; and to the George Schur family in the loss of their beloved son.'

"God is our refuge and strength, a very present help in trouble."-Psalm 46:1.

Once again football season is here and Larry Rihel is ready. Larry is on the Western Reserve team. Proud mom is Pauline, boot operator.

Vacation is what most workers look forward to. Jean Pierce and family went to Texas. Mary Daughtery visited beautiful Canada. Desk Clerk Rose Tarr and family saw California. Al Clisby and family motored to Arizona. Bill Shultz and family went to his Army reunion.

Mary Kuchta's son Robert and his family from California along with Mary's brother and sisters, got together after being apart 17 years and helped celebrate Mary's hubby's birthday.

Co-workers Jean Pierce, Jo Calabria, Mary Roscoe, Rose Rishel, Joyce Webb and your reporter helped celebrate Sarah Metello's birthday. Sarah left by jet to vacation in Greece.

Very proud is Phil Tamulious. op, when her nephew Choppa graduated from Youngstown State University with high honors. Paul will be studying to be a corporation lawyer. Very proud is your reporter, Paul is her son-in-law. Congratulations, Paul, for all the hard work you put in to achieve your grades.

Norman Smith Plant Protection 38 Years

Genevieve Benedict

Dept. 306 14 Years

Viola Stumpf Dept. 342 26 Years

> Plant 8, Downstairs By **Hesper Breese**

Congratulations and a big Plant 8 welcome to John Lambert who was promoted to superintendent of Plant 8. Best wishes to former Superintendent Norman Keeling who was transferred to Plant 12. We also want to welcome our new midnight foremen, Ron Mahan and John Hipkins.

We were all sorry to hear of the passing away of our coworker Ethel Anderson. Ethel worked as an inspector in the downstairs area for many years but recently was working upstairs on the third floor. We extend our deepest sympathy to her family. Our sympathy also goes to Ruby Padula in the loss of her father and to Theresa Ahladis in the loss of her mother-in-law. Hortense Thomas is the proud grandmother of two grandsons born on the same day only three hours apart. One was born here in Warren and the other one in Washington state. Phyllis Lynch, who works on the third floor, is proud of her new 9 lb. 9 oz. grandson who has been named Jeffery Robert Lynch. Clint Schillinger went to Germany to visit his son and family and after being there two days he became a proud grandfather.

Several in the area took their vacations in Canada, some of whom were Peggy and John Pavelko, Harriett Swisher, Janet Ervin, Eileen Cerny and Olga Terringo. Dorothy Kostyo toured the various islands around Michigan, Rita Clemente was in California visiting her brother who was ill, we were glad to hear that he is improving. Mildred Mittendorf was in North Carolina and Ida Horvath in California. Millie Coleman spent her vacation in Indianapolis, Indiana and also stopped in Columbus to take in the Ohio State Fair. Martha Belle Capito was in Europe. Congratulations to the former Kyriaki Tsitlakidis who recently became Mrs. Anastasios Perperidis.

Thank You...

To all my Packard Friends,

On behalf of my daughters and son, I would like to thank everyone for their gestures of kindness and sympathy on the tragic death of my wife, Charlotte. Thanks especially for all the floral tributes and for all material contributions with which I have been able to establish a memorial fund at our church.

> In loving memory, Michelle, Kristine, Jonathan, Jr., and Jonathan Culp, Sr.

The flowers sent by Packard Electric were beautiful and greatly appreciated.

Thanks so much. Sincerely,

The Van Cure Family

Thank you for the flowers They were lovely as could be-I only wish this could express How much they meant to me. Robert Snider

Many thanks to all for your kindness on the death of my mother.

> Verna Hill Dept. 1225

I would like to express my sincere thanks to all my friends at Packard Electric for their kindness and sincere thoughts shown at the death of my beloved mother, Mrs. Charles Shellie. May God bless you always.

> Charlene Thompson and family

Your kind expression of sympathy is deeply appreciated and gratefully acknowledged by the family of Leona Borelli.

Margie Cline daughter

We wish to acknowledge with sincere thanks the kind expression of your sympathy in the loss of our father.

> The Roy L. Pierson family, Albert, Franklin and Arthur Pierson and Edith Brannon and Ruby Padula

You were so very nice to us So very thoughtful, too -So thank you! thank you! thanks again! How wonderful of you! Frank Pirtz and family

We would like to thank all the people who were so thoughtful and generous during our bereavement. The kind attitude of everyone here to us during the long illness and, finally, the death of our mother and mother-in-law, Dorothy Mckibben, will never be forgotten. Mr. and Mrs. Steve Kennedy Mr. and Mrs. Tom Marshall

Industrial Engineering By Linda Martin

Industrial Best wishes from Engineering to Tony Mehle and Jack Bonner. Tony has been with us for eight years and will now take on new responsibilities as a general foreman in Plant 13. Jack's been in our department for six years. His recent move was to Dept. 179 as Staff Project Engineer. With those kind of credentials, its very apparent, our loss is someone else's gain. So fellas, congratulations and good luck!

We put out our welcome mat to Bill Flynn. Bill is a senior engineer in Standards. We're very happy to have you with us.

With another model change approaching, we see many new faces. Industrial Engineering welcomes: Joe Bryant, Barry Cameron, Norm Femrite, Chuck Frantz, John Furrie, George Gati, Bob Gray, Bernie Kapus, Joe LoCicero, John McLaughlin, George Mocker, George Rodibaugh, Karen Sima, Chuck Sop, Karen Sorensen and Harriet Vardavas.

The lab operators would like to extend their appreciation and thanks to Dept. 915. We enjoyed our two pound box of Kozy Corner chocolates with much enthusiasm. It's amazing how fast 15 gals can down one box of candy. Thanks again, fellas!

We give Jerry Moe a "pat on the back" this month. Jerry was head hancho and chief organizer over our annual family picnic.

Mike Joseph, Tim Marker and

Plastic Molding Rubber Mill and Dept. 374 By Marge Corbin

How often the words of Mr. Rigsby and his "Packard Family" comes to the fore as we watch our families grow from within.

Baby Sharon Marie is bringing untold happiness to our Fred and wife, former Packardite Barbara Smith, since her birth. Her deep brown eyes and shock of deep brown hair really add to her baby beauty. Sevenyear-old Mike keeps a constant watch on his new baby sister and wonders why she has so very many dresses. At last count Barbara had received 17 dainty little dresses as gifts for Sharon Marie. This also reminds us of the fact that Mike is apparently in the first throes of puppy love toward his young pretty second grade teacher. He's been spending most of his recess periods taking care of the blackboard erasers, pencils, papers, etc. It seems that Judy, wife of our Dave Calwallader has topped everyone in our area lately when she gave birth to identical twin sons, Michael David and Charles Dale. The only difference in these husky little fellows is that Charles Dale's eyes are a deeper blue and his hair a darker brown. Our Dave is the son of Packard retiree Al Calwallader and Mrs. Avis Calwallader while Judy is the daughter of Mr. and Mrs. Morris Floyd. The love that seven-yearold James and four-year-old

Congratulations to "The Bullets" on taking first place in the second half of the Packard Electric Golf League. Also, congratulations to Tom DeHuff and Mike Joseph. Tom and Mike won "The Tommy Ammour Division of the Packard Electric Old Pal Tournament."

The results of the "Ripple Golf Classic" have been announced. So here it goes! The winners of the two man best ball tournament were Jerry Hammar and Mike Joseph. Second place winners (ending in a tie) were Glenn Reeser, Don McArdle, John Furrie, and John McLaughlin. Low net went to Jerry Hammar. Jim Ehrhardt, Mike Lawrie and Harry Palmer fell closest to the pin. The longest drive came from Frank Wilkerson's club and Karen Sorensen made her claim to fame with the shortest drive of the "Super Golfer" goes to day. Bill Irish and his terrific slice. However, Bill thinks you can possibly correct this slice merely by putting some vaseline on the end of the club to keep the ball from spinning. Good thinking, Bill! And Bill brings us into our thought for the month: "You conquer fate by thought."

Jennifer have for the twins is really a portrait of tenderness.

Amazingly, the discussion of the birth of Brian Anthony Russell, the newborn son of our Russell and Plant 14's Daisy Thomas, brought to light another of Packard's largest families. Starting with the mothers of Russ and Daisy we have Hortense Thomas and Gussie Nettles. All of the following employes are related through blood or marriage: Foreman Clifford Stargell, Plant Protection's Royal Stargell, Millwright Edrow Stargell, Yvonne Davis (aunt), Linda Isom, Bob Stringer, Jean Smith, Gloria Jean Smith, Garnetta Hicks, Priscilla Code, Carletta Griffin, Diane Miller, Charlie Williams, Marcus Corbin, Marcus Logan and Jennifer Thomas as of right now, and former Packardites Asceola Hicks, Yvette Morgan, Frieda Stargell, Jennifer Wittiker and Carol Isom are also related to our little husky child.

Since kids and pets always seem to go together, we'll mention the fact that if Lena Grady, Frances Yannacy and Doris Featheroff ever decide to go in business between them, their seven Schautzer throughbreds are enough to hold their own dog show. There is only one thing they will have to be very careful of, though. This is the fact that every time that Doris' little rambunctuous Mitzi gets a chance, she runs out into the garden, steals tomatoes off of the vines, lies down and eats them then goes back for more. "It is strange that men should, see sublime inspiration in the ruins of an old church and see none in the ruins of a man." -Chesterton.

Proud winner of a red ribbon second prize for her sweater which was displayed at the Canfield Fair is Dolores Medvec.

Mary Sechrist and hubby vacationed in Canada.

Co-workers helped celebrate Foreman Steve Zemko's birthday. Happy Birthday, and many more.

Mr. Charles Stephens of Dept. 304 would like to extend his thanks to the unknown person who found his wallet and turned it in (contents intact) to Plant Protection. Good Samaritans are hard to find!

Packard Electric Cablegram Vol. 34, No. 6 September, 1973

Published by and for employes of Packard Electric Division, General Motors Corporation, Warren, Ohio, to foster the mutual interests of employer and employes and to provide closer cooperation for better work.

Donald E. Mumford, Editor **Public Relations Staff** Phone: 399-9240 or PABX 2240
